- CIG received information identifying solidarity actions in every province and at least one territory pertaining to the Freedom Convoy matter. Enforcement at any one event will likely be perceived negatively and may spark activities or adverse behaviour in other parts of the country. However, no formal organized plot of violence has been identified. CIG will continue to monitor.
- A Twitter post was located which suggests counter-protesters should blockade the parking lot entrances at the 302 Coventry Rd parking lot to hinder protester logistics resupplying downtown. CIG will continue to monitor for any additional details.
